## LOCAL ITEMS.

EIGHTH ILLINOIS CAVALRY. - Abner Hard, late surgeon of the 8th Illinois cavalry, has sent to this city a prospectus of the history of that regiment, which he has written. It is to be hoped he has given a full account of its exploits while stationed in this city and neghborhood; if so its reputation will be immortal .-

"Of the two hundred Regiments of brave and loyal troops that Illinois sent out to battle for the right, in the war of the great rebellion, none had a more brilliant career, or shed a brighter light upon the State or the Nation than the Eighth Illinois Cavalry."

Unquestionably the brightest light ever shed by this precious regiment was when it maliciously burned the Alexandria Gazette office.

A., L. & H. R. R.-The work of laying the track on the Alexandria, Loudoun and Hampshire Railroad, to its present contemplated terminus, Mercer's station, is progressing as rapidly as the prevailing inclement weather will permit. Had the weather during the month been favorable the extension would have been completed by the first proximo, but, in consequence of the unavoidable interruptions, the work will necessarily have to be continued into the month of November.

ALEXANDRIA LITERARY SOCIETY. - The first regular meeting of the Alexandria Literary Society will be held to night in their room, over Hall's photograph gallery, King street, at eight o'clock. An interesting debate is expected on the question "who had the better right to the throne of England, Elizabeth, or Mary, Queen of Scots. W. F. Carne, A. J. Wedderburn, Cornelius Cox and George Mushback will be the polemics. The public are invited to attend.

ESCAPE OF HORSE THIEVES .- Sandy Travis and Henry Red, two notorious colored horse thieves, who have been confined in the county jail of this county on several occasions, and who, a short time since, were arrested in Washington, charged with committing horse thefts in Fauquier county, in this State, and carried through here on their way to Warrenton, to be tried, escaped from the jail in that place on Tuesday last, and are still at large. A reward has been offered for their apprehension.

REMOVED HIS CASE. -The case of a colored man named James W. Marshall, arrested by the police of this city last summer, charged with stealing a horse in Frederick City, Mary. land, has been removed, at the prisoner's suggestion, from the court of that county, to Howard county, and the witnesses from here have been summoned to attend at the trial which is to take place in a short time.

CANAL NEWS .- There were no arrivals of boats from Cumberland or other points on the Chesapeake and Ohio Canal again to day, nor are any expected until Saturday next, when it is thought the obstruction, caused by the giving way of a lock-gate at Seneca, will have been removed, and when a large fleet that has collected above that place will be permitted to pass through.

BROTHERHOOD OF THE UNION. - Jefferson Circle No. 2, Brotherhood of the Union, have rented the hall in Muir's new building, on King street, for a lodge room, and will, it is thought, occupy it next week. The Circle for some time past has used the hall of the Sun\_Engine House as a meeting place. The new hall it is understood will be handsomely decorated.

COURT HOUSE NEWS. -The November term of the Circuit Court for this County will me et on Monday, the 9th proximo. Several important cases are to be disposed of. The marriage licenses issued during the current month will, it is thought, exceed in number those of last month, as four were applied for and granted during one day last week.

C. & O. CANAL. - Business yesterday on the canal was dull, as there are not many boats arriving, on account of the delay in repairing the lock gate on the Seneca division of the canal. The delay will be only temporary, however, and probably boats are now on their way down. The arrivals at Georgetown since the 1st instan number 258.

NORTH CAROLINA COTTON. - The steamer Express, which arrived here last night from Baltimore and the river landings, brought up, as part of her cargo, twenty-five bales of cotton, grown in North Carolina, which she took on at Aquia Creek, for the Mount Vernon cotton factory of this city.

Base Ball.-A match game of base ball will be played here on Saturday evening next, by the Jefferson club of Washington and the Pioneer club of this city, on the grounds of the latter, near Colross. An exciting game is anticipated, as each of the clubs now contains some excellent players.

STREET CROSSING.—The attention of the Superintendent of Police is directed to the imperfect crossing at the northwest corner of King and Union streets. Much complaint is made at the condition of the crossing at that

THE WEATHER.—The weather to-day has been cold and disagreeable, with a drizzling rain, and the wind from the northwest. But few person were on the stre ets, and out of door business transactions were limited.

STOVES, TINWARE, &c. THE GREAT DIAMOND HEATER.

This magnifosts Stove stands in the came to lation to other stoves as the precious jewel from which it derives its name does to other jawels. Profiting by past experience, we have thrown into it all the commendable qualities of the most popular Stoves, and have added inventions of our own, rendering it the hest combination of philosophy and mechanies now in the market, and making it a perfect stove. By the arrangement the combustion of gasses is perfect, and greater efficiency is obtained to perform what we claim for it, with a great diminution in amount of fuel necessary. It is unequalled in every particular, in beauty, in workmanship, in durability, and as a home necessity is peerless. It is a self-feeder, and not likely to get out of order. We earnestly invite comparison of this stove with others, and feel confident its great superiority will insure the preference.
